

Presidents Letter

A new year has begun some of the same issues are and will always be on the agenda. Recruiting continues to be number one on the agenda. We are continuing to look for recruits from our members with ideas on how we can increase our membership. Please feel free to join some of the committees that we are hoping to create to help improve our league. We are trying a few new ideas such as pre-registration for Singles and Doubles and having a Divisional Champ for each division hoping this will increase our members participation so please come out and take part. Please feel free to express how you feel about this good or bad. We have had some suggestions on starting some new committees such as a Rules committee to go over the rule book since we have made so many changes in the format of play over the years. We are also looking at maybe starting an Amendment and Proposal committee to help speed up our AGM meeting. We had a Special Meeting on Captain - Co-Captain night to change the Quorum Issue.

We also have started selling Golf Shirts and T-Shirts and Ball-caps to help promote our league and using the proceeds to help benefit Youth Darts so feel free to contact Richard regarding this to place an order. We have a very strong league and a wonderful history behind it, we have players from all over wanting to join our league for the competition, as far away as Sarnia , Chatham, and Brantford so please make them feel welcome. We need to get more recognition in our own community because there are people out there that don't even know we exist. We need to get those basement dart players to know about us, and create some interest in the Youth Darts movement.

This is the time to get this going with the PDC happening in London. Again this year was another great event at the Hilton, participation from our league was wonderful and the organizers of the event were quite happy with the turnout enough that supposedly it will be returning next year and hopefully will continue to grow and remain a stop on the PDC Tour. We are also looking for a group of Volunteers to help with setup and tear down for the PDC event as this year the executive did some of this. This event has been a wonderful experience to be part of and we need to get more involved with it. For those who were part of this thank you and those that weren't you missed some of the best darts that you'll ever see. So please next year come and check it out or get involved you won't be disappointed. Our members that took part in the event represented our league well and gave the pros enough competition.

Our league is one of the best around for being competitive and well organized. I wish you all the best this year and have a safe and wonderful year and have lots of fun. Feel free to approach me with any new ideas because this is your league and if it will make our league better we are always willing to listen. Thank you.

Your President,

John McDowell
