Welcome LDMDL membership to another season of Darts! The 2009-2010 season is the 64th year of existence for the LDMDL. Recruiting will continue to be the major goal for this Executive, to continue to regain our membership strength. The Recruiting Committee has accomplished much with regard to promoting and we hope to see an increase in membership in the future because of this.

Another goal for this Executive is to get more people involved in special tournaments, especially in the 6th to 9th divisions. Hopefully by introducing round robin tournaments will encourage more people to attend. We would also be interested in hearing any suggestions on helping to get more teams out to the tournaments.

Another area we would like to get more help with would be through sponsorship in areas such as team sponsors, division sponsors, and tournament sponsors. This would help a lot to better our league. The publicity from this would help with recruiting right down to the banquet.

One other area that we need to be involved with is the PDC's. There is so much hype around this and talk about this, we need to be involved. From having a table set out again this year to volunteering in assisting the running of it.

Yours Truly,
