

The London and District Men's Dart League

December 8, 2011

The London District Men's Dart League has been active in London for more than 65 years and is comprised of over 500 members from the community. All teams play on Thursday evenings at local Restaurants and Service Clubs.

This year we are looking again for sponsors for Divisional, Tournaments and Banquet Sponsorships. These sponsorships are going towards cost for the trophies and prizes for our Annual year-end banquets. All sponsorships and prize table donations will be recognized at the Banquet(s) on a sponsorship board and online as well at our website www.ldmdl.ca which has an average of 35,000 hits per season and is recognized as the place to go for darting information all around London and all of Ontario.

Divisional Sponsorship is \$300.

Tournament Sponsorship is \$200.

Divisional Singles/Doubles Sponsorship is \$150.

Banquet Donations will be recognized at the banquet and online.

All sponsors will receive 2 tickets to the Annual Banquet and will hand out the trophies bearing their name as sponsor. They will also be given a link to their business for the duration of the sponsored year/season.

Venues will be posted online and can get a link for \$100.

Any company wishing to get a link on our website for the season \$100.

We are collecting all sponsorships and Banquet prize donations by May 15th, 2012.

On behalf of the London District Men's Dart League we thank you for your interest in our long standing League and the game of darts as a sport.

Yours Truly
